Are you a UK taxpayer? If you are, we can claim 25% from the government on your subscription at no extra cost to you.

I would like the National Council for the Conservation of Plants and Gardens to reclaim the tax on any membership subscription or donation that I make/have made in the previous four tax years and all subscriptions or donations I make in the future, until I notify you otherwise. I have paid an amount of UK income tax or capital gains tax equal to any tax reclaimed. (Remember that if you receive a company pension, income tax may well be a paid at source)
